

Permanency Plan Review/Hearing Results Page

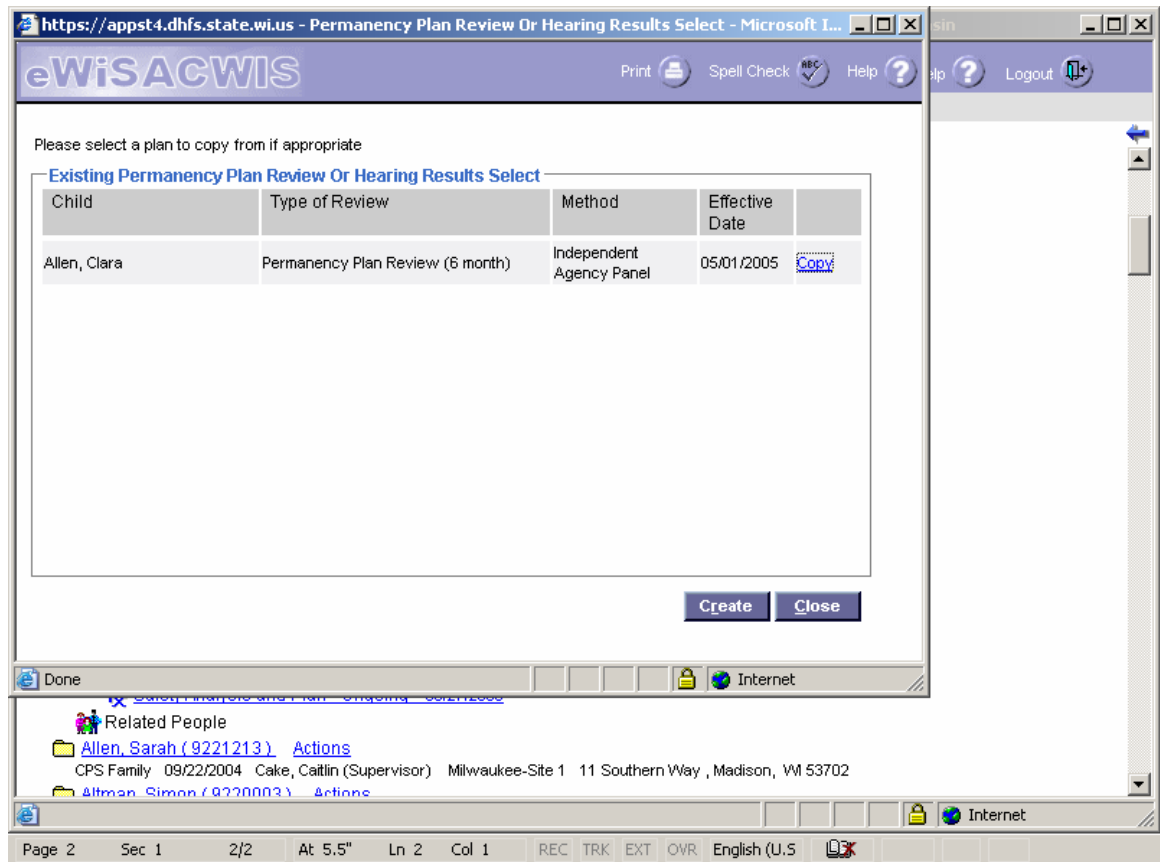

The Permanency Plan Review or Hearing Results page is used to record information and results from the Permanency Plan Review/Hearing. Information captured on the pages will pre-fill to the Review of the Permanency Plan template. Approving the page will also reset and delete Permanency Plan Review/Hearing ticklers.

*It is important to note that the Permanency Plan Review/Hearing Results Page can not be created if there is not an approved Ongoing Permanency Plan for the child.

1. The Permanency Plan Review or Hearing Results copy over page allows a worker to copy an existing child's Permanency Plan Review or Hearing Result to create a review/hearing for the same child or another child in the same case. This can be done by selecting the appropriate rows 'copy' hyperlink.

The pop up page will display all permanency reviews/hearings for the selected case (that were created after 6/27/05) with either approved or pending statuses. Permanency Plan reviews/hearings with Not Approved statuses will not be displayed.

Users will not see the 'copy over' page if this is the first Review/Hearing being created for the case. The copy over hyperlink will allow an existing Permanency Plan Review/Hearing to be copied into an Ongoing status and be editable.

- To access the Permanency Plan Review/Hearing Results Page, go to Create>Casework>Permanency Plan Review/Hearing Results>Case Name>Participant.

The Child's Name, Case Name, Person Id, Case Id, Child DOB, Court Number, and Worker Name will pre-fill in the General Information group box. The Type and Method are required fields with drop down values.

Once the Review/Hearing is completed, it is important to check the 'Completed' box in the upper right of the page for case processing.

- The Basic Tab consists of 2 Group Boxes. The first box is Legal. All of the fields are user entered. These fields consist of Date of Hearing Review, Court, Court 2, Judge, Commissioner, and Tribal Contact.

The Child's Name, Case Name, Person Id, Case Id, Child DOB, Court Number, and Worker Name will pre-fill in the General Information group box. The Type and Method are user entered fields with drop down values. The type values reflect if this is the '6 Month Review' or the '12 Month Hearing'.
